exceed

EXCEED MICRONEEDLING

Microneedling is a minimally invasive skin perfecting procedure. It works by using a collection of fine needles to cause tiny punctures in the skin, creating a collagen-stimulating healing process to correct skin imperfections and improve skin quality. The skin is naturally stimulated to regenerate. New collagen and elastin are formed.

At Tonic Day Spa we use EXCEED; the world's only double FDA-cleared automated micro-needling device clinically proven to dramatically reduce the appearance of facial wrinkles, skin laxity, acne scars and stretch marks. Our Microneedling treatments can improve a variety of skin conditions including: fine lines, wrinkles, sagging skin, sun damaged skin, hyper/hypo pigmentation, enlarged pores, stretch marks, scarring - surgical, acne, alopecia, skin rejuvenation/tone and texture.

protégé elite

Protégé Elite is a clinically proven facial procedure for toning, tightening, and improving skin texture. Its benefits include rejuvenation, wrinkle reduction and skin tightening, improving texture to sagging skin of the eyes/brows, face, jaw line, neck, and areas of the body.

Protégé Elite uses the most sophisticated delivery of RF energy with ground breaking EFC Elite technology that disrupts aged collagen fibres and evokes fibroblasts to produce new collagen fibres. The Protégé Elite delivers consistent and measurable results with a superior level of safety for a pain free treatment.

FACE & NECK

£180

Top up Treatment

within 6-12 weeks £140

Treatment is recommended in a course of 5 for maximum results. A one off top up is recommended every 9-12 months and a full course may be repeated every 2-4 years.

dermalux flex

DERMALUX FLEX LED

Dermalux Flex is a non-invasive treatment that delivers clinically proven therapeutic light energy for rejuvenating and corrective benefits. Specific wavelengths are absorbed by the skin to stimulate cell renewal and collagen production, resolve problem skin conditions such as acne and redness and accelerates skin healing. It is a safe and pain free treatment without downtime. Following a single Flex MD session, clients can expect immediate improvement in skin tone, hydration and luminosity whilst the beneficial light simultaneously stimulates deeper cell processes for longer lasting benefits in the skin. For sensitive skin conditions, the Flex MD offers relief with redness and irritation.

DERMALUX FLEX EXPRESS FACIAL

dermaplaning

Dermaplaning treats fine lines, uneven skin tone, open pores, pigmentation, dry skin and that unwanted facial hair. Using a surgical scalpel, dead skin and fine vellus hair (peach fuzz) are gently scraped away from the skin's surface giving clients immediate brighter, smoother skin. It is a form of deep exfoliation that improves cell turnover and healing, as well as allowing better penetration of skin care products, leaving the skin more radiant and healthier looking.

HIMALAYAN BODY THERAPY

70 minutes £70

An extraordinary ritual for the body - for everyone in need of renewal and purification this treatment re-mineralises the body, improves skin tone and helps relieve aches and pains. Warm Himalayan salt stones are used to warm the body alleviating tension before applying an exhilarating Himalayan salt scrub combined with nourishing aromatic oils to exfoliate, detoxify and stimulate metabolism. Relax whilst cocooned in a muslin wrap and enjoy a head and scalp massage, (or upgrade with an express facial). Complete your therapy with a full body moisturiser and back massage to alleviate tension. This treatment is designed to relieve stress, restore vitality and bring balance to the mind and body.

Tonic massage hub

Step inside our Massage Hub Suite and immerse your senses with aromatherapy oils, soothing music and soft lighting designed to melt your cares away. Enjoy one of our many luxurious treatments.

ritual therapies

URBAN RITUAL

65 minutes £65

This massage is truly holistic in every way. The treatment begins with dowsing of the chakras to determine where you are out of balance before an aromatherapy oil is blended to assist in bringing harmony back to the body and mind - then your therapy begins. Start with inhalation of your personal blended oils before relaxing with a massage to the face and arms. Melt away with Reiki followed by Aura dowsing to rebalance your chakras and relax your mind. Continue your treatment with massage to the legs and back before the final touch - an Indian head scalp massage. Sheer bliss.

SENSES RITUAL

65 minutes £65

This unique treatment combines aromatherapy, massage and Sen line energy work. This Ritual starts with deep breathing and inhalation of your chosen Senses Aromatherapy Oil. Palm walking over your muscles induces relaxation followed by Sen line energy work designed to repair, rebalance and rejuvenate the body's systems, combine this with a deeply relaxing and calming massage, this Ritual will leave you feeling relaxed and peaceful.

TRANQUILITY RITUAL

65 minutes £65

A perfect combination of relaxation and massage, this therapeutic massage starts with soft brushes dipped into warm aromatic oils. The brushes are used to apply Tranquillity oil to the body in a slow soothing motion relaxing the mind and body. A massage is then performed using therapeutic techniques to relieve muscular stress and tension.

*Pressure can be adapted to your preference
- light, medium or firm.*

holistic therapies

REFLEXOLOGY

50 minutes £50

Course of 6 sessions £260

All the systems in your body need to be working together well to maintain a healthy balance. Stress, injury or illness can cause the balance to be disrupted. Using special finger/thumb combinations Reflexology helps balance the body's natural energy pathways and in turn balances the nine systems. Reflexology can assist in numerous conditions, such as endometriosis, IBS, migraines, arthritis, fertility and cystitis to name a few...

REIKI

first visit £60 then 50 minutes £50

Feeling stuck in a rut? Suffering from anxiety, insomnia or depression? Stressed, bereaved or generally in need of a pick me up, then Reiki is just for you. Working on our internal energy system, Chakras, Reiki retunes, rebalances and re-energises you to bring about mental, physical and emotional healing. This treatment is performed fully clothed.

INDIAN HEAD

25 minutes £35

For over a thousand years Indian head massage has been a part of family tradition in India. Benefits include increased relaxation and stress relief. The massage will also improve the condition of the scalp, hair and general state of health. Treatment includes massage to the upper back, shoulders, neck, scalp and face, using hot oil.

INDIAN HEAD with REIKI

50 minutes £55

This technique combines traditional Indian head massage with the healing power of Reiki, making this a physically and spiritually rebalancing and relaxing treatment.

HOPI EAR

40 minutes £45

This treatment is designed to relieve problems of the ear, such as ear wax, tinnitus and sinus problems. The ear candle creates a slight suction action, whilst a gentle vibration affects the ear drum having a massaging and soothing effect.

massage

HOT STONE

Using a combination of massage techniques and healing energetic stones, this treatment will melt your body and soothe your mind, leaving you totally relaxed. This relaxing and therapeutic treatment uses volcanic stones which are heated to 56 degrees and used to massage you and soothe the muscles.

This is more than just a massage...

CORRECTIVE MASSAGE

25 minutes £40

This treatment works upon knots and areas of sensitivity within the muscle, ligaments and surrounding tissues.

Corrective Massage is particularly recommended for athletes and sportsmen/women and specific muscular problems.

DEEP TISSUE FULL BODY MASSAGE

65 minutes £65

Deep tissue massage is a massage technique which involves applying pressure to target the inner layers of your muscles and connective tissues. This helps to break up scar tissue that forms following an injury and reduce tension in muscles, ligaments and surrounding tissues. Unlike other massage techniques that focus on relaxation, deep tissue massage helps to treat muscle pain and improve stiffness.

OTO

OTO CBD RITUAL
